Reports from the CCF and the D.C. B'lore are received on the subjects.

1 The D.C. B'lore recommends to Govt to release 250 acres of land out of S. No. 41 and 42 of Turuthally and S.No. 5 of Uttarahalli Maravarthe Kerai, B'lore South Tk to the 70 applicants, for raising cashewnut, on the same concessions and conditions contemplated in G.O. dated 17th July 57 (G.O is put up for ready reference along with other G.Os on the same proposing amendments) (pps. 11 to 14/C7)

4

While the D.C B'lore, strikes a favourable note in recommending the release of Govt land for cashew cultivation, the CCF in his letter No. B3 86-965/58-59 dated 14-2-59 page-7/C7, contends that the release of lands of Minor forest will seriously affect the grazing position of Turahalli and round about villages and also as the percentage of forest area in B'lore Dist is already low and hence the position should be rejected.

5

The D.C B'lore further reports that out of 597-19 acres of land in S.Nos. 41, 42 & 5, 250 acres of land are more than sufficient for grazing purposes & an extent of 250 acres only could conveniently be released for cashew nut cultivation (page-6/C7)

Sub: Request re: grant of land for Cashew Nut Plantation.

Where are the applications? C.C.F and Dy.C Bangalore for remarks

C.C.F

Sec. AKT

Sir,

It is laudable to know that both the Central Government and Mysore Government are taking keen interest in expanding the growth of Cashew Nut plantation in the State. I have given applications of the ryots of Gubbalale and Arehalli villages for the sanction of land ( 5 acres each) belonging to Thuruhalli Village, to the Deputy Commissioner Bangalore District.

Out of S.No. 41 and 42, of Thuruhalli village, Uttarahalli hobli, Bangalore South Taluk, the Forest Department has taken some 150 acres of land and declared it as minor forest, about 30 years back, and no trees of any kind have been planted and reared till today and there may be no chance of doing so hereafter.

Therefore I have taken special interest in expansion of Chasew plantation which is a dollar earning product and

and I have ~~agreed~~ gathered all interested ryots, mostly landless and for-warded their applications for grant of lands to the Deputy Commissioner Bangalore Dist., for kind consideration and immediate needful.

In this connection I also request to allot me 25 acres of land for the said cultivation so that I may put the above applicants in proper line and the attempt become successful.

Yours faithfully

MYSORE GOVERNMENT A. & F. DEPTT., CO-OPERATION BRANCH

Sir,

Subject:- Release of 250-0 acres of land out of Forest Area of S.Nos. 41 and 42 of Turuhalli village and in S.No. 5 of Uttarahalli, Manavarthekaval, Bangalore South Taluk for cashewnut cultivation.

*********

Reference:- Your letter No. A.F.D. 173 D.S.T. 58 dated 9-7-58.

*******

I enclose the connected records received from the Asst. Commissioner Bangalore Sub Division with his report No. B3.P.R. 20/58-59 dated 25-8-58.

The ryots of Gubbalala, Turuhalli, Hosahalli, Arehalli, Channasandra and Ganigarapalya villages in Uttarahalli Hobli, Bangalore South Taluk, have given petitions requesting for grant of lands of 5 acres each out of S.Nos. 41 and 42 of Turuhalli village and out of S.No. 5 of Uttarahalli, Manavarthekaval which is a minor forest for cashewnut cultivation. One Sri C. Basaviah, B.A.,(Hons)., who is a resident of Gubbalala village has also given petitions before Government as well as before this office requesting for the release of the above Forest lands and lease the same for cashewnut cultivation. The matter was referred to the local officers for enquiry and report.

It is reported that the Minor Forest of Anekal Range was constituted as per G.O. No. 1746 F. 65-34-2 dated 24-8-1934 with a total area of 597-19 guntas as detailed below.

| | | | | |
|---|---|---|---|---|
| S.No. 41 | = | 94 acres. | 8 guntas. | Turuhalli village. |
| S.No. 42 | = | 159-~~4~~3 acres | 13 " | " |
| S.No. 5 | = | 343 acres | ~~19~~ 35 guntas. | Uttarahalli, Manavarthekaval |
| T o t a l. | | 597 acres | 19 guntas. | |

It is further stated that there are no Forest Plants or Plantation in the above area and that the cattle belonging to 1) Gubbalala, 2) Turuhalli, 3) Hosahalli, 4) Arehalli, 5) Channasandra and 6) Ganigarapalya villages are taken for grazing purposes. It is reported that the total strength of cattle of the above villages comes to 700, that only 210-0 to 250 acres of land will be more than sufficient for grazing purposes and an extent of 250 acres only could conveniently be released out of the Forest Area of S.Nos. 41 and 42 and 5 for the purppses of Cashewnut cultivation.

6

15

So far 70 applications have been received in this behalf. Out of 70, 60 are landless persons and 35 are landless Depressed Class persons. The local officers recommend for the release of 250 acres of Forest Land out of the total extent of 597-19 of Forest Area in S.Nos. 41, 42 and 5 for Cashewnut cultivation as per sketch dated 12-7-58 and to allow the remaining extent of 347-19 for grazing purposes of Gubbalala and surrounding villages. It is further stated that the landless Depressed Class persons will come and settle in the colony which is proposed to be started in S. No. 42 in an extent of 5 acres of Turuhalli village.

Regarding the lease of lands for Cashewnut cultivation, Government have in G.O. No. R.D. L.G. O. 57/1357 dated 16-17th July 1957 approved the rules for leasing of lands in South Kanara and North Kanara Districts. A let has been sent from this office on 11-9-58 through the Divisional Commissioner Bangalore Division, requesting to obtain the orders of Government to extend that benefit to Bangalore District also. A copy of the letter sent to the Divisional Commissioner and copies of G.O. dated 1-9-1934 and the letter dated 11-9-58 received from the Secretary to Government Planning and Develop- pertaining to this are enclosed for ready reference.

In this connection I wish to state that out of the 70 applicants 35 are landless depressed class people 25 are landless non-harijans and the other five are insufficient landholders and all of them have agreed to colon and live together and in the first five years when the Cashewnut plants do no grow to be big plants undertake to improve the land by growing ragi and hural and once the plants begin to yield stop interculture of the lands and begin to entirely depend upon the Cashewnut they are going to harvest. The lands which are now proposed to be surrendered by the Forest Department to the Revenue Dep ment for being released for Cashew cultivation may be done so on the same con- cessions and conditions contemplated in the Government Order dated 16th, 17th July 1957 and cited supra.

In these circumstances, I request that an extent of 250 acres of Forest lands out of S.No. 41 and 42 of Turuhalli village and out of S.No. 5 of Uttarahalli Manavarthekaval, Bangalore South Taluk may be released and handed over to the Revenue Department for further needful action. The Hon. Minister for Agriculture and Forest was pleased to inspect the spot and is convinced ab the suitability of the land for Cashew cultivation.

Yours faithfully,

Sir,

Request of Sri C.Basavaiah B.A.(Hons.), Guddabala village Bangalore South Taluk for grant of lands in Turahalli Minor Forest for cashew cultivation.

Ref:-Your memo No.AFD 11 FGN 59 dated 23-1-1959.

The applicant is requesting for grant of lands in Turahalli Minor Forest for cashewnut cultivation. In this connection I invite your kind reference to this office letter of even number dated 13-12-58 under which I have furnished my opinion on similar representations of Sri Basavaiah and others received with your memo No.AFD 212 DST 58 dated 6-8-58 and AFD 173 DST 58 dated 9-7-1958. Since the release of the Minor Forest will seriously effect the grazing position of Turahalli and round about villagers and as the percentage of forest area in Bangalore District is alredy low, I recommend rejection of the present application also.

Subject:- Cashunut plantation scheme for Colonisation of Backward and Harijan families at Turahalli Forest, Bangalore South Taluk.

Please permit submission of the following for favour of kind consideration and early orders : -

1. This Memorandum is submitted by the undersigned on his own behalf and on the behalf of 30 Harijan families of Gubballala village, Bangalore South Taluk.

2. I beg to refer to the Memorandum submitted to the Hon'ble Deputy Minister for Home dated 23-6-1958, when the Hon'ble Agricultural Minister along with your goodself visited Turahalli Minor Forest in Bangalore South Taluk on 20-7-1958.

See AF.

3. The scheme has been submitted primarily to make a beginning to house Harijan landless labour of my Hobli, thus affording them with a decent living to the extent possible. Incidentally, in view of the fact that the land proposed is to grow Cashenut- thus affording a dollar earning product to be grown in my Hobli.

4. The land proposed is in Survey No.41 and 42 of Turahalli village. This land is in the possession of the Forest Department since 30 years as Minor Forest. The land measures in all 250 acres and the entire land is barren without any plants.

5. Although the said land is a minor forest land, the department has been allowing it to cattle for grazing purposes.

6. Round about Turahalli village there are 635 acres of land in the following Survey Numbers : -

P.T.

| Sl.No. | Survey Number. | Extent. A. G. | Village. |
|---|---|---|---|
| 1. | S.No. 13 | 37 - 38 | Uttarahally |
| 2. | S.No. 5 | 348 - 28 | Manavarthe Kaval. -do- |
| 3. | S.No. 41 | 80 - 00 | Turahalli. |
| 4. | S.No. 42 | 170 - 00 | -do- |
| | Total. | 635 - 00 | |

This includes the above 250 acres referred to in para 4.

7. The number of cattle round about my village is 1434. On the basis of 100 acres for 30 cattle the total extent needed for grazing will be 340 acres. This leaves a - sufficient margin to utilise 300 acres for purposes other than grazing.

8. I am reliably given to understand now, that the Chief Conservator of Forest has felt that the land lying in S.Numbers 41 and 42, asked by us for being released for growing cashenut plantation, cannot be make available to us, since this is the only available land for grazing of cattle.

9. I seek the intervention of the Hon'ble Deputy Minister for Home Affairs, in view of the fact that you are our Representative and in consultation with the Hon'ble Minister for Agriculture to see that the said land is released for building up a Model Harijan Colony to grow Cashenut cultivation. By this you will be doing a distinct service to the Harijan community in particular, towards their uplift.

Thanking you.

**No. RD 1 LGO 57/1357-B, dated 16—17th July 1957.**

**The South Kanara District Lease of Lands**

for Cashewnut Cultivation Rules, 1957.

ORDER No. RD 1 LGO 57/1357-B, DATED BANGALORE, THE 16—17TH JULY 1957.

The South Kanara District provides great scope for the development of the cashewnut industry and the question of giving a fillip to cashewnut cultivation in the said district has been under the consideration of Government for some time past. It is expected that a large extent of land can easily be made available for this industry in the South Kanara District and increased production of cashewnut achieved if the available area is properly exploited. The cashewnut industry besides providing employment to many is particularly important in view of the vast potentialities for export to foreign countries.

II. The relevant Government orders issued by the Government of Madras regarding the grant of land especially for cashewnut cultivation in order to step up production of cashewnuts are the following :—

Subject:--Request of Sri. C. Basaviah, B.A. (Hons.), Guddabala Village, Bangalore South Taluk, for grant of lands in Turahalli Minor Forest for Cashew cultivat-ion.

Reference:--Your letter No.A.F.W.173, D.S.T.58, dated 6th April 1959.

I invite your kind attention to this office references of even No. dated 13th December 19 58 and 17th February 1959, in which, I have already furnished my opinion, recommending rejection of the request of Sri. C. Basaviah, for reasons that the release of land in question will seriously effect the grazing position round about Turahalli Villages, and also in view of the low percentage of the Forest area in Bangalore District.

The same opinion holds good now.

+This also disposes of the application received with your Memo A.F.D.130, F.G.L.59 dated 4th April 1959.
